Dear Christophe,

The Ishara puppet theatre trust is one of India's leading contemporary puppet theatres.

The trust aims at promoting both traditional and modern puppetry, creating awareness, upgrading skills through workshops and creating a net work of puppetry in India and abroad.

It is my pleasure to invite your "Le Theatre des Ombres " to participate and perform at the 11th Ishara International puppet theatre festival to be held in N.Delhi, in the first week of February 2013. at the India Habitat Centre N. Delhi and at the Epi Centre in Gurgaon. Final dates to be confirmed soon.

Your performance will be the first of its kind performed in India and will bring to the audiences of India an important glimpse of your work in contemporary shadow puppet theatre from France.

The Festival is one of the highlights of cultural activity in Delhi, each year groups from India and abroad perform at this prestigious event. During your stay in Delhi the group could participate in workshops for puppeteers and others interested.

We shall also try and get the group to perform more shows in schools and other cities as they get confirmed; we await news from our collaborators on the same.

Local hospitality - boarding, lodging, including all technical help needed for the show will be taken care for 4 persons on a twin sharing basis.

However you will need to find your own travel to Delhi and return.

It will be our pleasure to present your prestigious theatre at our festival, and we look forward to a positive answer from you at your earliest.

Thanking you
With kind regards

Dadi D. Pudumjee
